**FAITH
IN ACTION**

Dear Congregation Friends:

Faith in Action for Monroe County is GROWING steadily. We are putting together a list of our congregation and organization supporters and would very much like to add your name to our list. Our goal is to let Monroe County know we are here and ready to give much needed, no cost services to Monroe County's older population.

Support and involvement can come in many different ways. Please review the attached agreement and you will see there is more than one way to support the ***Faith in Action*** program if you choose to do so.

Your endorsement of our program will be used in our brochures, letterhead, and newsletters with your permission.

Our mission statement reads: ***Faith in Action for Monroe County is a network of religious congregations and community members, all with traditions of human concern for others, whose purpose is to work with the frail, elderly, disabled, and their families in an effort to enable those served to maintain their independence, dignity, and quality of life.***

Please join our in helping our homebound neighbors. If you allow it, your name will be placed on our brochures to show your members you are willing to help target those who need our services.

I am available at (734) 243-2233 for any questions.

Sincerely,

Nancy Young
Director
